

TERMINAL SUPPLY CO.

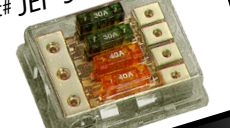

The leading source for electrical components in today's businesses and today's high schools. Terminal Supply works with US Robotics FIRST to bring more than just terminals to the country's high school students, but also an opportunity.

Quick Disconnect Power Connector
part# SY633G1

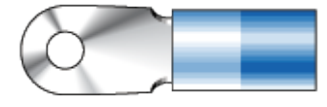

Maxi Circuit Breaker Block
part# JEF-531D

Circuit Breaker
part# 185-120-F01-1
(120 Amp C.B.)

6ga. Nylon Ring Terminal
part# E-760-10

Blade Fuse Panel
part# 15600-12-21

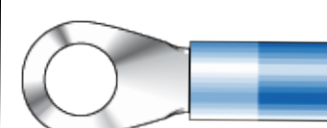

Terminal Block
part# TB-1

Distribution Block
part# 16220-2

6ga. Nylon Ring Terminal
part# E-757-38

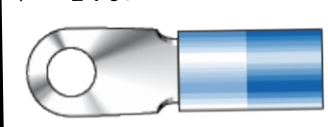

12-10ga. Nylon, Fully Insulated Quick Disconnect
part# C-850

16-14ga. Nylon, Fully Insulated Quick Disconnect
part# B-850

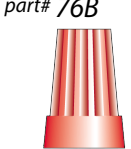

6ga. Nylon Ring Terminal
part# E-760-14

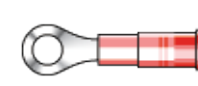

22-18ga. Nylon, Fully Insulated Quick Disconnect
part# A-850

Red Wire Nut
part# 76B

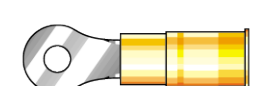

22-18ga. Nylon Ring Terminal
part# A-532-06

16-14ga. Nylon Ring Terminal
part# B-523-06

12-10ga. Nylon Ring Terminal
part# C-528-06
